

PRAYER SHAWL & AFGHAN MINISTRY

Do you like to knit or crochet? If so, please consider joining Pineda's Prayer Shawl and Afghan Ministry! Prayer Shawls are a constant companion and provide individuals with the comfort of knowing that they are not going through each day with illness and other life challenges alone. The shawls are handmade with love and prayers and are blessed before distribution. Our group is also working on afghans for Family Promise of Brevard, to bring warmth and comfort to families in distress and transition.

We invite you to drop in and join us at any of our meetings which begin at 1:00 p.m. in the Fellowship Hall, on the 1st Monday and 3rd Tuesday of each month (unless otherwise specified). We can help you learn to knit or crochet and we have instructions, yarn and needles. Please consider joining this worthwhile ministry.
